- f. ITI – All Trades

We **Highly Recommend** a **Job Fair/Pool Placement Drive** to the college to establish itself as a placement hub in the city. We strongly believe that a successful college is both an education provider and a job provider. **Job Fair/Pool Placement Drive** adds to the reputation of the college.

We have superb experience in managing Campus Drives and Job Fairs for top multinational companies and colleges.

What we offer:

1. We manage the entire **Job Fair/Pool Placement Drive activity** at your college premises.
2. We assist the college with travel, stay, gift, and complete hospitality arrangements for HR.
3. Arrangement and distribution of offer letters/letters of intent to candidates.
4. We assist you in designing the marketing material such as banners, and news for newspaper and electronic media.
5. We take regular feedback from candidates who join companies. We also assist them to arrange accommodation and food.
6. Provide pre-placement training to candidates (at extra cost) to improve their chances of getting placement in the **Job Fair/Pool Placement Drive**.
7. Priority in jobs to your candidates.

Why Job Fair/Pool Placement Drive is beneficial for your college:

1. Immense reputation building for the college through positive word-of-mouth publicity.
2. Increase in Admissions in college due to good placement records. Increase in College Income and Profits.
3. Helps you get an edge over your competitor colleges. Stay ahead of the other colleges in your city.
